L-W Band Home Again After Music Camp Trip

Sixty members of the Lincoln-Way high school band are home again after a trip to Cedar River, Mich., to participate in the fifth annual Lincoln - Way Band Camp.

The ten-day camp period, that includes a variety of activities such as swimming, soft ball, volley ball, and touch football besides the music activities, is held each year at the Outdoor Center in the J. W. Wells State Park.

Robert C. Taylor, high school band director, headed a staff of 12 adults who filled the roles of counselors, cooks, and activities specialists. Mrs. Taylor, assisted by Mrs. Della Hussey and Miss Elizabeth Ascott, supervised the preparation of one of the most popular activities during the entire 10 days, the three

meals per day enjoyed by the entire group.

Dennis Pfeifer, University of Illinois student, organized and supervised the recreation program, and was ably assisted by Carole Hammond and Barbara Taylor. Bonnie Fredin and Fred Kieslar added to the interest of the concerts presented by the band by singing selections from several recent musicals.

Mrs. Joseph Moore, Mrs. Joseph Blaha, Mr. Moore, and Fred Kieslar helped out as cabin counselors.

Highlights of the camp period were the concerts, presented for a large group of people from the public camp grounds within the state park, the evening programs presented by the students, and the final awards night, dance, and pizza party.

Unusual Accident Fatal To 18-Year-Old Lincolnwood Boy

Last rites for Walter Blaess, Jr., 18, of Lincolnwood, New Lenox township, who died Aug. 11, were conducted Monday from the Baskerville chapel, Lincoln highway at 9 a.m. to St. Mary church, Mokena, at 9:30 where a solemn requiem high mass was celebrated by the Rev. Cecil Koop, O.F.M. Interment was in St. Joseph cemetery, Joliet.

The youth died at Silver Cross hospital as a result of injuries suffered Aug. 2, in an unusual accident. On the night of Aug. 2, according to the report made to the sheriff's office, young Blaess and two boys, William Hagen and Charles Williams, were in the street on Circle Drive, in Lincolnwood, as John Estes, 17, of Mokena, backed his car out of a driveway at the home of friends where he had been visit-

ing. The car stalled.

Hagen allegedly told deputies that when the car stalled Williams and Blaess jumped on the rear of the vehicle, and that when it started up Williams jumped off and Blaess apparently fell off, striking his head on the street.

Estes, unaware there had been an accident, drove on. He picked up his mother who had been visiting in another home and they returned to Mokena. There was a message there for him to call Hagen or Williams but the phone was out of order and it was not until the next day that he got in touch with Hagen who told him Walter was in the hospital. Estes then called the sheriff's office.

Young Blaess underwent surgery for brain injury but

never regained consciousness.

He was graduated from Lincoln-Way high school in June and was elected as a candidate for summer institute at Rose Polytechnic Institute at Terre Haute, Ind., and was to have reported for the special class there Aug. 15. After the special session he was to have enrolled at the school as a freshman.

Walter was born in Joliet, March 19, 1947 and resided there until the family moved to Pottowatamie Lane in Lincolnwood in 1957. His father, Walter, Sr., is a fireman at Argonne National Laboratory.

Besides his parents, Walter is survived by three brothers and a sister, James, Thomas, Christopher and Carol Anne. A brother David was fatally injured when struck by a car on U.S. 30 at Lincolnwood in 1961. Also surviving are the maternal grandparents, Mr. and Mrs. Herman Beck, of Joliet.

Area Library Workers Attend State Workshop

The Illinois State Library Workshop for public librarians, at Champaign, Aug. 9-13, was well represented by Will county. Librarians in attendance state-wide numbered 35, the maximum allowed. Those from Will county were Mrs. Irene Peterson, New Lenox; Mrs. Effie Dyer, Manhattan; Mrs. Edna Delonais and Mrs. Ruth Drassler from Bradley. Mrs. Rudolph Engelhardt represented the Mokena area, and tho not a librarian, was invited by the Illinois State Library staff because of her interest and work in the development and expansion of library services in Mokena.

Mrs. Leona Ringering, chief librarian at Park Forest, was instructor for both Thursday sessions, speaking on "Book Reviewing Through Periodicals" and "Book Reviewing Methods." Mr. James Thompson, sales manager for Baker and Tay-

lor of Momence spoke on "The Book Jobber's Role in Selection."

This workshop was one of four held at the state universities to bring librarians up to date on the various aspects of modern library services. Book selection was emphasized thruout the week.

All room and meal expenses were paid by the State Library. Those in attendance were housed in the U. of I. Union and took their meals in the cafeteria.

This year is the first for such workshops and has proved so successful that they will be held again next year.

There will be, in addition to these, eight-week courses for undergraduate credit for librarians who need instruction in cataloguing or other fields important to their work.

Illini Glee Club Off On Tour Stops At Frankfort

The Varsity Men's Glee club of University of Illinois left the campus Sunday (Aug. 15) for a 26-day tour to three European countries with stops en route at Frankfort, and Chicago.

Among the 50 students who will make the trip will be Bob Breidert of Frankfort a second tenor.

The "Singing Illini" will give concerts in 10 cities: Paris; Patras, Zante, Nauplion and Athens, Greece; and Brindisi, Sorrento, Perugia, Florence and Rome, Italy.

The chorus left the campus at 12 noon Sunday by bus for Frankfort, where they were guests of Mr. and Mrs. Burton Breidert and other residents.

The singers will check in at O'Hare Airport, Chicago, at 12 noon Monday for processing, and board Saturn Air Lines for a 4 p.m. departure to Paris. A choir from Occidental College, Calif., will share the chartered plane for the flight to Paris.

The return flight from Paris to Chicago is scheduled

for Sept. 10. The singers also will travel by train -- from Paris to Florence; by bus -- within Italy; and by ship -- across the Adriatic Sea from Brindisi to Patras.

The 50 students were selected for length of service with the glee club and for musical ability. Each year some 200 men audition for membership in the organization and 76 are chosen.

Funds for the journey have been raised by the glee club in concerts, and by donations from alumni and members of the group. The tour and concert arrangements are being made by Institute of European Studies in Vienna, Austria.

The Varsity Men's Glee club has made two previous tours of Europe. In 1958 the group was invited to sing at the U. S. pavilion at the Brussels World's Fair and was guest of the Belgian government at an international youth choral festival. In 1961 the glee club gave concerts in Scotland, Norway, Sweden, Denmark, Germany and France.

Indicate Toll, Federal People Together On I-80

(CNS) - The Illinois toll highway commission will complete by mid - October leasing arrangements for its sixth service area, to be established near Hazelcrest and near the juncture of the Tri-State and Interstate 80.

The commissioners confirmed Monday the Aug. 11 advertisement for those to lease and operate the service area, including the provision that after the Sept. 17 deadline for bids, the American Oil Co. will have a 30 day period in which to match the approved low bid.

The tollway commission, builder of the service areas, must have all leasing arrangements completed before construction begins,

said Frank W. Boege, executive director.

The far south service area will consist of two gasoline service stations, and an over - the - road restaurant and gift shop. No names have been decided upon for the site, however.

The commission, and the federal bureau of public roads have completed negotiations in which proposed Interstate 80 will connect with the tollway, and a portion of the route will pass over the tollway. With those two heavily trafficked arteries meeting, a great demand for the service area will be experienced, the commissioners resolution stated.

From the road there is little or no evidence of a roadway leading back into the timber, it was pointed out, so investigators believe the thieves were quite familiar with the territory.

Dear Sir:
I am in favor of legal (possibly otherwise) action being taken in regard to that disfigured "Cleopatra of Rt. 30" otherwise known as the "Sugarine" billboard. I hope we will not have to be seeing much of it from here on out.

Don't Cancel Hospital Ins.

Curtis Bradley, president of Illinois Health Improvement Association, in reviewing the new Medicare legislation signed into law by President Johnson, July 30, reminds all Health Improvement Association members not to cancel their hospital-medical-surgical coverage at this time.

Bradley said further that since hospital-medical-surgical coverage under the new law will not start until July 1, 1966 every person over 65, including all Health Improvement Association members, should be sure they have adequate coverage in force until this date. Also, he said, a special committee is studying the new Medicare program in order to determine the type of supplemental program the Illinois Health Improvement Association will be able to make available.

Distaff Golf

By Birdie McDivot Last Thursday was a perfect morning for golf for the members of Willow Run Ladies Golf club. Betty Nelson and Marge Istel were the lucky ball winners for the day along with Vera Richardson who won for low putts. Other scores were Helen Churchill with a net 37, Ardele Baker and Grace Mitchell tied with a net 42, Helen Pagoria, a net 43 and Rita Schickling with a net 44.

The matches to date for the month are: Helen Churchill defeated Grace Mitchell, Rita Schickling defeated Marge Baker, Dorothy Tyler defeated Vera Richardson, and Betty Nelson defeated Toot Muehler.

Grace Mitchell is still crowing over her chip shot off of the green 8 when it landed in the cup, about a 30' putt and this green is tricky. You have reason to crow, Grace. Do it again and prove it wasn't a lucky shot.

The Multiple Sclerosis fund drive will be held

Wednesday, August 25 in New Lenox. General chairman of the area is Miss Ann Chamberlin, 125 Hickory street.

Assisting a cause, or giving to a cause that is worthy is always a satisfying experience. Multiple sclerosis is such a cause. It affects people in the 20 to 40 year age group, rendering helpless in many instances a young father or mother in their most needed years. There are about 150 M.S. patients in the Will County area. Many of these people are helped by therapy treatments at the two Joliet hospitals, or provided with wheel chairs, braces, walkers, etc. paid for with the money raised by the local unit. This work can be carried on successfully for the coming year with your help and help from others like yourself.

Will you kindly join in this effort by giving generously to the M.S. marcher who will be calling on you. She is a volunteer so greet her with courtesy.

The Volunteer marchers for the New Lenox area are: Bonnie Bell, Faye Dunn, Candy Tinley, Linda Tatro, Lori Neillis, Delores Sims, Jean Cagwin, Michele Dranchak, Sandy Phillips, Beth Avon, Diane Shreffler, Sandy Aldridge, Nancy Venkus and Rita Chamberlin.

In view of the fact that Multiple Sclerosis is a national drive where the funds are used for research and local patient care, we are not a member of the United Crusade and do not receive any money from them.

Plan Refresher Course For Graduate Nurses

Silver Cross Hospital is planning a refresher course for graduate nurses to begin in the latter part of September. These courses are given when there are 10 registrants who must be graduates of a school of nursing approved at the time of their graduation and must either have a current license issued by any state or be re-applying for registration. They must be in good health.

The prime objective is to assist the inactive nurse to gain a feeling of security about returning to active duty by means of an educationally sound refresher program. She will become acquainted with current procedures in medical and surgical nursing and will get experience in using new equipment and learn about new drugs. Also it is hoped to interest more nurses to return to active duty in the field of nursing and relatives.

An area resident, Lawrence Lubway of New Lenox, was a member of the Southern Illinois University summer choir at its August concert in Davis auditorium on the campus. Robert Kingsbury was the conductor.

The Mokena Methodist church will hold its annual retreat on Sunday, Aug. 22 at the YMCA camp, Will-Cook road, northwest of Mokena. An outdoor service will be held at 11 a.m. and a pot luck dinner at noon. Each family is asked to bring their own table service and a dish to pass.

The various groups of the church will review and report on their programs for the coming year. A question and answer period will follow.

At 3:30 p.m. Arthur L. Meyer, Evanston past conference lay leader will speak. A recreation period will follow and a wiener roast is scheduled for 5:30 p.m.

Rev. Robert Watson, pastor, will be in charge of the evening program around the campfire.

The regular worship and Sunday school will be held at the church at 9:30 a.m.

All members and friends are invited to attend the retreat.

Lillie Ann Burkhardt spent last week with her grandmother, Mrs. Sherman Knox of Orland Park.

During the course of the meeting, the 5th district commander, Gordon Meyers, department chairman for National Homes, Ray Mann and department chairman for "Voice of Democracy", Lou Nehring, were escorted to the president's station. Each guest spoke on their special project.

Mann was very pleased at the way the canned food drive went over.

The Mokena Auxiliary donated \$50.

After the meeting, the Ladies Auxiliary met with the men at the post home where refreshments were served.

Seaman recruit Jay D. Hodge, USN, son of Mr. and Mrs. Jay D. Hodge of 19502 S. Walnut, reported July 24 to the recruit training command, U.S. naval training center, San Diego, Calif., for nine weeks of basic training.
